Good morning Donald,

Please see attached letter as well as comments from CIRNAC & ECCC in regards to your Type "B" Water Licence No: 2BE-CPP2325 Application by Arctic Copper Corp. for the Coppermine Project.

Copies of all documents received in support of this submission can be accessed through the NWB's Public Registry and FTP site using the following Link:

<ftp://ftp.nwb-oen.ca/registry/2%20MINING%20MILLING/2B/2BE%20-%20Exploration/2BE-CPP2325%20Arctic%20Copper%20Corp/1%20APPLICATION/2023%20New>

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:

Please let me know if you have any questions or concerns.

Regards,

Robert Hunter
Licensing Administrator
