Dear Phyllis

RE: Water licence # NWB-2BE-CRA0710 - Extension and Amendment

Please accept the enclosed Nunavut Water Board (NWB) Water Licence Application Form and Supplementary Questionnaire on behalf of CBR Gold Corp. for an amendment to our current water licence in order to take into account the following changes to our 2010-2011 exploration program:

- Allow up to 6 drills to be used concurrently with 2 of the 4 camps open at any one time for a new daily allowance of 214 cubic metres of water.

I enclosed all relevant updated material and cheque in the amount of \$30.00 for the licence administration fee.

Your comments and questions are always welcomed. Please do not hesitate to call .

Sincerely,

Jo Price
