Dear Phyllis

RE: Water licence # NWB-2BE-CRA0710 - Renewal and Amendment

In reference to our recent renewal and amendment request of the above Water licence dated 24 November 2009, CBR Gold Corp requests a renewal for the full 5 year licence, rather than the two years initially requested, as our exploration programs will be likely to continue through 2015.

Your comments and questions are always welcomed. Please do not hesitate to call or email.

Sincerely,

Jo Price
