Subject: Committee Bay Resources Ltd. – Crater Lake Project – Amendment

Dear Ms. Price:

The Nunavut Water Board (NWB) acknowledges receipt of your application for license amendment on January 20, 2004 for water use and waste disposal associated with exploratory drilling for the Crater Lake Project, in the Kitikmeot region. The application, a copy of which can be obtained from our ftp site (<http://ftp.nunavut.ca> in folder nwb / NWB2 EXPLORATION and sub-folder NWB2CRA) or by contacting our office, consists of the following items:

- cover letter dated January 7, 2004
- application form and supplemental questionnaire
- various maps and drawings
- A&R Plan, Spill Plan
- Camp inventory and equipment spec sheets
- summary in English and Inuktitut
- MSDS Sheets
- Previous NIRB screening and comments
- application fee (returned under separate cover) (incorrect payee)

We undertook a preliminary review of your application and conclude that it meets the requirements of section 48(1) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* ("Act"). This said, I must inform you that the NWB reserves the right to request additional information and studies pursuant to sections 48(2) of the Act or, alternatively, issue guidelines for the provision of information pursuant to section 48(3) of the Act.

However, before your application can be processed further by the NWB, it is subject to sections 38(1) to 38(5) of the Act and therefore must first be reviewed by the **Nunavut Planning Commission (NPC)** to determine its conformity with an approved land use plan. **By copy of this letter to the NPC, we are formally asking our sister board to undertake this determination and inform the NWB of its decision.**

Pursuant to Section 13.7.3 of the Nunavut Land Claims Agreement this application is of a class that does not require a public hearing, and is therefore exempt from screening as per Schedule 12-1 of the NLCA. We are consequently requesting NPC to forward the application back to the NWB when its determination is complete.

Finally, by copy of this letter to the distribution list and the enclosed notice of application sent to the council of the municipality or municipalities most affected by your application, we invite interested persons to make representations directly to the NWB within 30 days from the date of this letter. The NWB may provide additional procedural instructions once the application has been reviewed.

Sincerely,
