Good morning again,

Could you also advise whether the NIRB April 22, 2014 07EN021 Exempt from Screening decision related to Committee Bay Project (WL 2BE-CRA1015) would apply to its renewal application distributed by NWB for comments on December 19, 2014?

Regards,

Hi Heather,

I am looking for an update regarding the status of 2BE-MEA1318 Meadowbank Exploration Project Amendment application.

The last info that the NWB has is the NIRB letter inviting parties to comment on application on December 15, 2014 with a deadline set as December 29, 2014.

Regards,
