Subject: Review of 2009 Annual Report

Dear Ms Price;

The Nunavut Water Board (NWB or Board) distributed the 2009 Annual Report to interested parties for information purposes on November 23, 2009. No comments were received.

The NWB has reviewed the Annual Report and notes the following for the Licensee's consideration in developing the 2010 Annual Report:

- A photographic record of camps, waste disposal and water supply facilities, sumps and drill sites should be provided.

Should you have any questions regarding Annual Reporting requirements or otherwise, please do not hesitate to contact the NWB office.

Yours truly,
