**Re: Addendum to North Country Gold - Comprehensive Waste Management Plan**

The Committee Bay Project - Comprehensive Waste Management Plan, Revision 0, October 2014 ('the Plan') submitted to the Nunavut Water Board ('NWB') on December 5, 2014 as part of the renewal application for a 'Type B' Water Licence 2BE-CRA1015 shall be amended as of March 19, 2015.

In accordance with the terms of the renewed Water Licence 2BE-CRA1520, the third paragraph under subsection 6.1.2 'Combustible Wastes' (Page 6) of the Plan shall be amended to read:

"Large pieces of untreated wood, cardboard and material comprised of natural fibres ~~shall~~ may be burned in a controlled open burn in accordance with the Government of Nunavut's Guideline for the burning and incineration of solid waste **when authorization has been granted by the Nunavut Water Board**".
