Dear Phyllis

RE: Water licence # NWB-2BE-CRA1015 - Extension and Amendment – Waste Water Treatment Plan

In addition to the extension and amendment previously filed for licence NWB-2BE-CRA1015, NCG proposes to add a membrane Waste Water Treatment Plant. The treatment plant will allow for better grey and sewage control and will replace the current sumps and pinto toilets when in full operation. Please accept the addition of an Operations and Maintenance Plan for the proposed Sanitherm Inc. Waste Water Treatment Plan to our extension and amendment request.

Your comments and questions are always welcomed. Please do not hesitate to call or email.

Sincerely,
