RE: **Waste Disposal from Golden Bull Resources Exploration Camp**

---

We are willing to except small amounts of non-combustible waste and recyclables from the Golden Bull Resources Exploration Camp that will be located in Nunavut. It is our understanding that this camp will not have more then 25 persons. Recyclables and waste need to be separated. Recyclables are charged at \$30.00/tonne, and waste is charged at \$100.00/tonne (\$20.00 minimum)+\$130.00/hr equipment charge with a minimum 1 hour required.

Sincerely,

Henry Kruse  
Assistant Superintendant of the Solid Waste Facility  
Yellowknife, NT
