Good morning;

Email to confirm that the project in discussion below falls outside an approved land use planning boundary therefore an NPC conformity determination is not required. Any questions concerns, please do not hesitate.

Subject: NWB Applications

Hello Brian:

I represent Golden Bull Resources, a company who holds 22 mineral claims in the Committee Bay Greenstone Belt. They have requested that I begin the process of permitting an exploration base camp site at Walker Lake to service the company's claims in the Walker Lake – Hayes River –Laughland Lake area. I am in the process of completing the NWB application for a water licence. Section Seven concerns information for the Nunavut Planning Commission:

7 NUNAVUT PLANNING COMMISSION (NPC) DETERMINATION

Indicate the land use planning area in which the project is located.

- | | |
|---------------------------------------|---|
| <input type="checkbox"/> North Baffin | <input type="checkbox"/> Keewatin |
| <input type="checkbox"/> South Baffin | <input type="checkbox"/> Sanikiluaq |
| <input type="checkbox"/> Akunnig | <input checked="" type="checkbox"/> Kitikmeot |

Is a land use plan conformity determination required?

- ☐ Yes ☒ No

If Yes, indicate date issued and attach copy _____

If No, provide written confirmation from NPC confirming that a land use plan conformity review is not required.

If one is required, how do I initiate this process and if not required, how do I request a letter confirming that a plan review is not required?

Thanks for the information.

Bruce
