RE: Notice to Commence Teck Cominco Limited, 2008 Exploration Programs, Darby Project, Kitikmeot Region, Nunavut

Dear Phyllis,

Please accept the following document as notification of the commencement of Teck Cominco Limited 2008 Field Exploration Program, Darby Project, Kitikmeot Region, Nunavut. All proposed exploration activities will occur on Indicator Minerals Inc claims, with Teck Cominco Limited being the Operator of the 2008 Exploration Program. All activities will be based from Indicator Minerals Inc. Stellar camp located at N 67°19.015' W 093°01.940'. Exploration activities will include: ground and airborne geophysics, till sampling and prospecting.

The airborne geophysical program will begin shortly, and the ground geophysical and prospecting programs will begin in July 2008. The attached figure shows the extents of the planned 2008 airborne coverage (Nad83 UTM Zone 15).

All field activities will be conducted in accordance to land use permit # N2005C0028 and water licence NWB2DBY0509.

The onsite Project Supervisors will be Mike Merante (June) and Karen-Jane Weir (July). The camp phone numbers are 604.759.0320/0321/0323 and the fax number is 604.759.0322. Mike Merante can also be contacted via email in camp at mike.merante@teckcominco.com. If you require any additional information, please contact me at 604.844.2684 or via email at karen.weir@teckcominco.com.

Sincerely,

Karen-Jane Weir
