RE: Notice of Closure Teck Cominco Limited, 2008 Exploration Programs, Darby Project, Kitikmeot Region, Nunavut

Dear Phyllis,

Please accept the following document as notification of the closure of Teck Cominco Limited 2008 Field Exploration Program, Darby Project, Kitikmeot Region, Nunavut. All exploration activities occurred on Indicator Minerals Inc claims, with Teck Cominco Limited being the Operator of the 2008 Exploration Program. All activities were based from Indicator Minerals Inc. Stellar camp located at N 67°19.015' W 093°01.940', which is now closed for the remainder of the year. Exploration activities included ground and airborne geophysics, till sampling and prospecting.

All field activities were conducted in accordance to land use permit # N2005C0028 and water licence NWB2DBY0509.

If you require any additional information, please contact me at 604.844.2684 or via email at karen.weir@teckcominco.com.

Sincerely,

Karen-Jane Weir
