**Re: 2BE-DUB0812 – Annual Report, 2008 (additional information) –
Uranium North Resources Corp. – South Baker/Dubawnt Property**

Please be advised that Indian and Northern Affairs Canada (INAC) has completed a review of 2BE-DUB0812 Type “B” Water License 2008 Annual Report for South Baker/Dubawnt Property. Uranium North Resources Corporation circulated a new pdf version of this Report, on July 30, 2009 along with a letter with more information regarding the 2008 annual report

In our opinion, with the additional information provided by Uranium North Resources Corp., the 2008 Annual Report satisfactorily addresses the requirements of Part B, Item 2 of the current water licence # 2BE-DUB0812.
