Subject: Receipt of Renewal Application for Ferguson Lake

Dear Mr. Krause:

The Nunavut Water Board acknowledges receipt of the following on February 7, 2001:

- cover letter dated February 6, 2001
- application form
- supplementary questionnaire

As mentioned, we look forward to receiving the originals and the cheque by mail and a receipt will be issued at that time. However, in the fax/e-mail cover letter sent to your office on January 31, 2001, I mentioned that the application must also include an executive summary in **BOTH** English and Inuktitut. We would also appreciate receiving any relevant maps/drawings.

This project is subject to a land-use-plan conformity review by the Nunavut Planning Commission (NPC) and has been forwarded to them by our office. Once the conformity review is complete, this project is subject to screening by the Nunavut Impact Review Board (NIRB) and will be sent, once the application is deemed complete, for their determination as to whether they require further review or if it can be processed by the Nunavut Water Board.

Upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application.

You will be contacted should additional information or clarification be required.

Sincerely,
Original signed by:
