Good morning,

Please note as per Nunavut Planning and Project Assessment Act (NuPPAA) you're required to submit a project proposal document directly to the Nunavut Planning Commission (NPC or Commission) for the NPC's determination regarding the applicable land use planning requirements and/or directions regarding whether the project is subject to screening by the Nunavut Impact Review Board.

Once that is done then the Nunavut Water Board may begin its process.

I've copied NPC to assist you through the process.

Regards,

Richard
