Hi Trevor,

Good morning!

I am assigned the application for 2BE-FER1823 as a technical advisor. While going through the amendment application checklist, I couldn't find the English and Inuktitut project summaries, also, the proof of water use fees deposit payment, although, these are check marked as - yes in the application form. For the Annual Report, there is no submission for the year 2020. Moreover, a separate submission of the project map is required.

Can you please complete these submissions at your earliest convenience? Let me know if you have any questions.

Regards,  
Nirali Gosai
