Subject: Starfield Resources Inc. – Land Use Conformity Review – Renewal Application

The Nunavut Water Board received an application for licence renewal on February 7, 2001 from Starfield Resources Inc. for water use and waste disposal associated with exploratory drilling.

In accordance with S.11.5.10 of the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada*, this project shall be reviewed by the Nunavut Planning Commission to determine conformity with an approved land use plan, before it can be processed by the Nunavut Water Board.

I am sending the received application documents along with this letter.

Upon completion of the review, please forward the project proposal with your determination and any recommendations to our office or other appropriate federal or territorial agencies as required. The Nunavut Water Board would appreciate receiving a copy of any correspondence that would indicate the status of the conformity check.

Sincerely,
