Re: Receipt of Complete Responses to Parties Comments and Opportunity for Parties to Assess Response to Comments

Dear Mr. Nicholson:

On January 11, 2007 the Nunavut Impact Review Board (NIRB or Board) received Starfield Resources' project proposal from the Kivalliq Inuit Association.

As you know, NIRB invited interested Parties and municipalities most affected by Starfield Resources project proposal comment directly to the NIRB by February 1, 2007 and on February 2, 2007 had received a number of comments from Parties.

On February 9, 2007 NIRB received your initial Response to Comments, which requested an additional four days to provide further clarification pertaining to responses to the Government of Nunavut.

On February 13, 2007 NIRB received your amended version of the Response to Comments, and has uploaded this to NIRB's ftp-site, located at:

ftp://ftp.nunavut.ca/nirb/NIRB_SCREENINGS/ACTIVE_SCREENINGS/07EN001-Starfield_Resources_Ltd/1-SCREENING/02-DISTRIBUTION/CORRESPONDENCE/

By way of notice of this letter, NIRB would like to provide the Parties with an opportunity to review the Response to Comments before proceeding with the next steps of the screening process. Parties should review the Response to Comments, found at the above-indicated ftp-site location, and if necessary, provide correspondence to NIRB by Wednesday February 21, 2007.

All correspondence should be directed to NIRB's Manager of Environmental Administration, Leslie Payette at lpayette@nirb.nunavut.ca.

If you have any questions or concerns, feel free to contact me at 867-983-4607 or cinglis@nirb.nunavut.ca.

Sincerely,

Carolanne Inglis-McQuay
Technical Advisor
