Good afternoon Richard,

Unfortunately, we will not be able to respond in the next few weeks.

CNRI is committed to advancing the Type B amendment process and as suggested by the reviewer, will provide an updated Abandonment and Reclamation Plan, along with responses to CIRNAC's questions, at the earliest opportunity.

Thanks for your understanding - Ryan

Ryan VanEngen MSc.

Subject: Re: 2BE-FER2227 CIRNA Comments

Good morning,

The deadline has passed, will responses be submitted or additional time requested?

Regards,

Richard

Good morning Richard (and Ali),

We will be in the field until early September and therefore unable to complete our response by September 4th.

We are requesting an extension of 14 days and will endeavor to respond by September 18th or earlier.

Canadian North Resources Inc.

Richard
