Allison,

Please find enclosed a letter of reply to Mr. André Douchane, President of Starfield Resources. I see that Ms. Sawers has been included here and that she will forward to him.

The enclosed confirms receipt of the Plan as submitted and further requires Starfield Resources Inc submit additional information before a final review can be undertaken.

Please note that I will be out of the office from the 16th of Sept to the 23rd of Sept inclusive. If you have any questions or concerns please contact Tanya Trenholm. Ms. Trenholm is lead on this file and will contact me in the event a regulatory issue arises in my absence.

Thank you for your time and attention to this matter.
