Good morning – our records show that no water use fees were paid for 2008, 2009 or 2010 and the 2011 fee is due and payable on June 30, 2011. Based on the calculator provided and the amount of water authorized (100 m3/day) there is now a total of \$1460.00 owing which will cover the current term of the licence which expires on July 1, 2012

Regards,

I am in receipt of your e-mail dated June 20, 2011. Could you please confirm that the amount of fees payable by Starfield Resources is \$30.00. If this is correct, we will get a cheque off to you without delay. Does the water license also have to be renewed?

Thank you.
