Dear Mr. Nicholson:

The Nunavut Water Board acknowledges receipt on April 11, 2005 of your 2004 Annual Report as required by Part B, Item 1 of your current water licence. The Board has reviewed your report and notes that no further clarification is required.

Part B, Item 2 of the Licence renewal issued June 27, 2005 requires that the 2005 Annual report be submitted no later than March 31, 2006.

The NWB would like to take this opportunity to remind the Licensee that the following two Plan submissions have been noted as overdue:

2. The revised Abandonment and Restoration Plan as required under Part I, Item 1 of the Licence renewal NWB2FER0507.

With respect to the annual reporting requirements, please be advised that the new *Standard Report Form* for Type “B” licenses, will be available as of November 1, 2005 on the NWB ftp site at the following address under the folder entitled Standardized Forms.
