

April 11, 2008

Starfield Meeting to Update on the work conducted in 2007, present proposed work for 2008 and to present the Remedial Action Plan for Old Camp.

Meeting held - Iqaluit

Attendees:

Sara Holzman (INAC Environment)
Sophia Granchinha (NIRB)
Stephanie Autut (NIRB)
Dionne Filiatrault (NWB)
Julian Lim (DFO)
Beth Pechter (DFO)
Jeff Holwell (INAC)
Spencer Dewar (INAC)
Luis Manzo (KIA)

Presenters:

Fred Mason, VP Operations, Starfield
Allison Rippin Armstrong, Environment, Starfield
Denise Lockett, Community Relations, Starfield
Francois Landry, Rescan Environmental Services Ltd.
Gus Hunt, True Grit Consulting Ltd.

Copies of the draft Remedial Action Plan, Old Camp and Air-Strip, Ferguson Lake were distributed along with CD versions for those who requested them. Extra copies were provided to be distributed to Environment Canada who were not able to attend.

Starfield had been specifically requested to submit the report in Draft so that comments could be incorporated. To date (July 1, 2010) no comments have been received. The Nunavut Water Board has been holding the document for distribution pending comments and approvals.
