Re: New Water Licence for Barry Hanslit, The Fork Property, Kitikmeot Region Nunavut

To Whom It May Concern:

Please find enclosed a copy of new water license, project summary, project summary translation, spill plan and a cheque payable to the Receiver General of Canada in the amount of \$60.00. The property is located near the Tree River in the Kitikmeot region of Nunavut. The Fork project is a grass-roots diamond exploration to be performed by a small group of 3-4 persons in a fly camp this summer. The main portion of the project will be prospecting and ground geophysical surveys. This property is being explored by a single individual prospector so will be low key and low impact to maximize the amount of exploration that will happen for a minimum of time and money. If you have any suggestions or require any modifications to the license, please don't hesitate to contact me at (250) 729-0350, or by email at [hanslitb@telus.net](mailto:hanslitb@telus.net).

Thank you,

Barry Hanslit
