**Subject: Licence No. 2BE-FRK0812 “Fork Property”, Kitikmeot Region, Nunavut;
Cancellation of the Licence**

Dear Mr. Hanslit:

The Nunavut Water Board (“NWB”) received a cancellation water licence application for the above-mentioned project application on December 29, 2010.

After having completed the technical review and received the outstanding reports, the application was distributed for 30 days comments from interested parties on February 1, 2011.

Comments were received from Environment Canada (EC) and from Indian and Northern Affairs Canada (INAC) on March 2, 2011.

EC expressed no objections to the cancellation of the licence.
INAC recommended that the licence not be cancelled/closed until the confirmation by Water Resource Officer that there are no outstanding compliance issues associated with the project.

NWB would like to make you aware that the decision shall be taken once INAC Water Resource Officer confirms that there are no any outstanding compliance issues associated with this project.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 Ext. 30 or k.kharatyan@nunavutwaterboard.org, at your earliest convenience.

Yours truly,

Karén Kharatyan
Technical Advisor
