Dear Mr. Hanslit;

The Nunavut Water Board ("NWB") would like to acknowledge the receipt of the above document under Part I, Item 1 of Licence 2BE-FRK0812. The Abandonment and Reclamation Plan was distributed upon receipt for review and comment to interested persons with a submission deadline of August 8, 2008.

The technical review of the Abandonment and Reclamation Plan has been completed. Comments on the Plan were received from INAC and EC and should be reviewed by the licensee. The Board has taken into consideration the information submitted and hereby accepts and approves the Abandonment and Reclamation Plan under **Motion 2008-05-10**, dated **Septemeber 4, 2008**. The licensee is instructed to submit within 30 days of the issuance of this approval an addendum to address the following deficiencies:

1. Inclusion of a detailed site map with the location of the camp, camp activities, adjacent water bodies and any other important features clearly marked at an appropriate scale.
2. Identification of the relative timeframe or schedule for seasonal and final abandonment.
3. Discussion addressing all the issues raised by INAC in their review of the Abandonment and Reclamation Plan dated August 7, 2008.

Should you have any further questions, please feel free to contact me at (867) 360-6338, at your earliest convenience.

Yours truly,
