Hi Phyllis,

Uravan did mail an application for cancellation plus a check for the fees on October 17<sup>th</sup> (see attached); maybe you haven't received it yet. Please confirm when you are in receipt.

Regarding any outstanding issues, Uravan has organized a camp clean up and has filed a 'compliance plan' with Aboriginal Affair (see attached); unfortunately these operations will have to wait until spring 2013.

Should you require any further information please let me know.

Best regards,

Larry

Good afternoon, in order to close the above file we require the attached application for cancellation. I have not had the opportunity to review the file for any outstanding issues but the submission of the application will at least start the ball rolling.

Regards
