Re: Final Inspection Water Licence no. 2BE-GAR0710

To whom it may concern;

On July 20th, 2015 an inspection was completed of water licence no. 2BE-GAR0710. Because of the remote location of the project the inspection was a conducted on behalf of the Kivalliq regional office by a Kitikmeot inspector.

Based on the findings of the July 20th, 2015 inspection, the information provided by the proponent and the compliance history of the file it has been determined that a final inspection by Indigenous and Northern Affairs Canada, Field Operations has been completed.
