Rita:

Inuit Owned Land use License KTL200C010, George Lake and KTL399C027, Goose Lake plus other IOL land use access rights have been transferred to Kinross Gold Corporation formerly held by Wheaton River (Nunavut) Ltd. as of December 11th, 2001.

The NWB should have been informed of these transactions and we apologize for this oversight. Any other questions regarding the transfer of the IOL access rights in the name of Wheaton River (Nunavut) Ltd., please call or email me.

Regards.

Jack

Hi Jack,
I was just wondering if you could verify who now holds title to the properties for George Lake (think it's Kinross) and Goose Lake (possibly both Wheaton and Kinross?).
Thanks,
