Dear Dianne,

As requested by Mary Barraco, of our Salt Lake city office, I am forwarding a copy of a check for annual water use fees at the George and Goose Lake projects. The original check was mailed out this morning.

In addition to the above, Mary will also be sending you a letter and up to date water use reports.

If there you have any questions regarding this matter, please contact Mary or myself. My number in Toronto is 416-365-1076 and fax 416-363-6622.
