Summary - Résumé Re: Security deposit. - I understood security deposit not needed until work done started as per licence condition. They do not intend on placing it. They will write to The Band and give them their schedule. I explained that with the new Act it will be a violation if not in place. He will send the letter today. He said that it takes 3-4 wks to put in place. He is aware of that. Rater: [Signature] The cheque should be mailed today.
