Dear Amanda Hanson,

This letter is to advise you that Sabina Gold & Silver Corp. will be ceasing operations for the season at the Back River and Hackett River project sites on or about September 24, 2010 and September 29, 2010 respectively.

This closure will be temporary, for the winter only, with operations resuming approximately February 15, 2011. As we approach the actual time of re-opening, we will provide the appropriate notices of activities.

We have had a safe and very successful season at both project sites, and I would like to thank each of you for the assistance and guidance which you have provided to us. We are looking forward to working with all of you next year as we continue to advance the projects.

Should you have any questions or concerns, please do not hesitate to contact me by email at [pmanojlovic@sabinagoldsilver.com](mailto:pmanojlovic@sabinagoldsilver.com) or by telephone at 604-998-4175.

Sincerely,
