Re: 2BE-GOO1015 and 2BE-GEO1015 Request for Open Burning

Dear Ms. Beaulieu:

The Kitikmeot Inuit Association (KIA) has reviewed the open burning request submitted by Sabina Gold & Silver Corp. (Sabina), and we support the request. However, KIA requests that lumber contaminated with oil and/or other hydrocarbons (e.g., lumber from workshops or other locations where spills may have occurred) should be excluded from materials that Sabina burns openly.

The KIA would like to thank the NWB for the opportunity to comment on this file. Please feel free to contact us if you have any questions.

Sincerely,

Luigi Torretti, MSc, BComm Senior Environment Officer Kitikmeot Inuit Association
