Hi all,

This email will advise you that on October 15th Sabina closed up the Back River Project for the 2017 season. It was another safe, environmentally responsible, productive season at our projects in the Kitikmeot Region!

You will hear from us again shortly as we begin preparation of our annual reports as per the terms of our various licenses. Should you have any questions or concerns, please do not hesitate to contact me by email or by phone.

Regards,

Merle
