TITLE: Back River Project Baseline Studies

OBJECTIVES OF RESEARCH:

Sabina Gold & Silver Corp. (Sabina) is in the process of permitting the proposed Back River Project (the Project), located in the West Kitikmeot region of Nunavut. The proposed ongoing baseline program would be conducted starting on January 1, 2017 and could continue for a full year until December 31, 2017. However, the same baseline and scientific studies may continue in subsequent years and we are asking for a 3 year multi-year permit.

TERMS & CONDITIONS:

The holder of the licence will be bound by the terms and conditions of the Nunavut Impact Review Board Screening Decision Report and the Department of Culture & Heritage archaeological sites terms and conditions. These terms and conditions will form part of this licence.
