*RE: Renewal and Amendment to License 2BE-GOO0510*

---

Dear Ms. Beaulieu,

As per the enclosed Water License Application Form and Supplementary Questionnaire, Sabina Gold & Silver Corp. ("Sabina") would like to request an amendment and extension to the above-referenced water license for the Goose Lake property.

In summary, we would like to request the following:

1. A change of company name (the "Licensee") to Sabina Gold & Silver Corp.
2. A renewal of the license for a further 5 years, from April 1, 2010 until March 31, 2015.

This amendment does not represent a change in scope of the project. Camp operations, population, and water use will remain similar to previous years and as permitted under the existing license (including the recent amendment in early 2009) and according to information already on file with the Board.

I trust that you will find this application meets your requirements. A cheque in the amount of \$60.00 is included for the application fee and the water use fee, as well as a translation of the non-technical summary into Inuktitut and Inuinnaqtun. Should you have any questions, concerns, or need any further information, please do not hesitate to contact me by email at [dcater@sabinagoldsilver.com](mailto:dcater@sabinagoldsilver.com) or by telephone at 604-998-4175.

Best regards,

A handwritten signature in blue ink, appearing to read "Doug Cater".
