Re: Application for amendment 3 water license 2BE-GOO1015 - amendment 2

Dear Ms. Beaulieu,

Please find enclosed Sabina Gold & Silver Corp.'s application to amend the above-referenced water license for the Goose property.

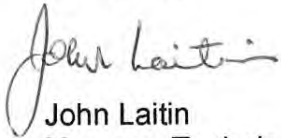

This amendment is being submitted at the request of the NWB to reduce the project area of the license to minimize overlapping project areas with other water licenses in the area. Also requested is an amendment to include water use and waste deposit into water associated with an all-weather airstrip, road and rock quarries.

This request for water license amendment is submitted with one hardcopy and one electronic copy of:

- Summary in three languages
- Location map
- NWB application for water license amendment form with appendices:
 - ◆ Nature of Interest in the Land
 - ◆ NPC and NIRB Determination
 - ◆ Transportation Management Plan with appendices:
 - All-weather airstrip and access road design
 - Environmental studies completed in the area of proposed airstrip, road and rock quarries.
 - ◆ Supplemental Information Guidelines with appendices:
 - Comprehensive Spill Contingency Plan
 - Comprehensive Waste Management Plan
 - ◆ Abandonment & Restoration Plan
 - ◆ Corporate Financial Information; and
- \$30.00 application fee.

If you have any questions regarding this application please call me at (604) 998-4175.

Yours truly,

A handwritten signature in black ink, appearing to read "John Laitin". The signature is fluid and cursive, with a large initial "J" and a long horizontal stroke at the end.
