Re: Renewal Application Acknowledgement for the Goose Lake Project

Dear Ms. Sherlock:

The Nunavut Water Board ("NWB") acknowledges receipt on December 4, 2009 of your renewal water license application for the Goose Lake Project, file number 2BE-GOO0510.

We undertook a preliminary administrative review of your application and conclude that it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

- Application Fee \$30.00
- NIRB Screening Decision (or current confirmation in writing that a NIRB screening is not required)
- NPC Conformity (or current confirmation in writing that an NPC Conformity is not required)

The NWB tech noted the Wishbone Trend water use had already been requested under the 2BE-HAK0709 renewal application and requests clarification if the Wishbone Trend water use is to be licenced under 2BE-GOO0510 or 2BE-HAK0709.

We will resume the processing of your application once we receive the requested information; please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,
