Richard:

In light of this new information CLEY's comments and conditions do not change as there are no recorded archaeological sites in the area.

Hello Richard, I am reviewing the Goose Lake Project could you please check to see if the coordinates in the application are correct. The proponent lists the following coordinates: Lat.65'32'40 / Lon. 112'25'37 , which from what I can tell is in the Northwest territories. Let me know so I can get comments in.
