Dear Mr. Laitin,

The Nunavut Water Board (“NWB”) received the 2012 Annual Report and Addenda to the 2012 Annual Report on March 26, 2013 and June 28, 2013, respectively.
The addenda to the 2012 Annual Report included the following documents:

- Daily water consumption data as per Part J, Item 9;
- Water sampling results as per Part J, Item 9; and
- An addendum to the Quarry Development Plan originally approved by the Board as per Part E, Item 6.

The submissions were forwarded to the distribution list for information. The documents are found to be meeting the reporting requirement of the licence 2BE-GOO1015. In addition, the NWB appreciates the inclusion of the photographs to help aid in the understanding of the activities that have taken place.
