

Goose Lake Camp

May 3, 2005

John Laitin

John,

Below is the information on the water usage for the Goose Lake Camp for the month of April, Please review the water license to see if this is all they require for the monthly reporting and if so please send it to them. Let me know so we can set up a standard form letter that can be sent from camp.

Goose Lake camp water usage April 1 - 30

Camp supply 336 cu. m.

Drills 708 cu. m.

Total usage. 1044 cu. m.
