Attn: Phyllis Beaulieu

Dear Phyllis,

I am sending you the balance of the addendum to section 15 from the Spill Contingency Plan for the Goose Lake Camp which I emailed to you today. The file was too large to send via email, so, as mentioned in the email to you, I am sending it via Canada Post Xpresspost. I trust this is acceptable to you and apologize for not being able to complete the document transfer electronically. It seems the file size was beyond the system capabilities, which did surprise me.

Sincerely,

John Laitin
Technical Coordinator
Back River Project
