Re: NWB License NWB2GOO0510

Hi Phyllis,

As per the requirement referenced in the license agreement, I am sending you within 60 days from the issuance of the license, as an attachment to this letter, the addendum to the Spill Contingency Plan and the addendum to the Abandonment and Restoration Plan for the Goose Lake Camp. I have zipped the files for ease of transmission.

I trust you will find the documents intact and sufficient in scope to meet the requirements of the NWB. Should there be any items that require clarification, or items that are missing, please contact myself at your convenience.

Thank you.

Respectfully Submitted,

John Laitin
Technical Coordinator
Back River Project
