Good morning David,

The Nunavut Water Board acknowledges receipt of the Updated Reclamation and Closure Plan and the Spill Contingency Plan. The NWB also confirms that the \$30 water use fee deposit is not required. We will issue a letter of receipt once the \$30 application fee is received. The water use fee payment submitted in May was for the 2023 Annual Water Use. Since the Licence is currently expired as of June 30, 2024, no water use and waste deposit is authorized until a Renewal Licence is issued. The full Water Use Fee of \$1091.35 for 299m3 per day will be required before the Renewal Amendment Licence can be issued. The NWB will follow-up with you shortly afterwards.

Regards,

Robert Hunter  
Licensing Administrator
