RE: Licence No. 2BE-GOT1924 Type "B"; GOT Exploration Project, Agnico Eagle Mines Ltd.; 2019 Annual Report Review

Dear David Frenette:

The Nunavut Water Board (NWB or Board) has completed the technical review of the 2019 Annual Report (Report) for Type "B" Water Licence 2BE-GOT1924 (Licence). The Report was received on March 26, 2020 from Agnico Eagle Mines Ltd. (Licensee) and submitted as a requirement under Part B of the Licence.

Copies of all documents received during Report review can be accessed through the NWB's Public Registry and FTP site using the following link:

<ftp://ftp.nwb-oen.ca/registry/2%20MINING%20MILLING/2B/2BE%20-%20Exploration/2BE-GOT1924%20AEM/3%20TECH/B%20GENERAL/2%20ANNUAL%20RPT/2019/>

On March 26, 2020, the NWB distributed the Report to the Kivalliq distribution list for information. No comments have been received to date. The Board reminds Agnico Eagle of the requirement in Part J, Item 4 of the Licence: "(t)he Licensee shall determine the GPS co-ordinates (in degrees, minutes and seconds of latitude and longitude) of all locations where Wastes associated with drilling operations are deposited." Therefore, the Board requires that the Licensee provide the missing information in the 2020 Annual Report to be submitted on or before **March 31, 2021**.

If you have any questions, please contact the undersigned at assol.kubeisinova@nwb-oen.ca or (867) 360 6338 (ext. 31).

Best regards,

Assol Kubeisinova
Nunavut Water Board
Technical Advisor
