

ATTACHMENT 10 - ENGAGEMENT RECORD

Glencore Hackett River Project Engagement Log - October 2025 - Water Licence Renewal

Date	Type	Reason for Engagement	Engagement From	Contacts	Related Groups	Summary
2025-10-02	call	Project update and notification of water licence renewal	Katsky Venter	Tannis Bolt	KIA	KV called TB and left voicemail re: brief update on Hackett River Project (HRP), ongoing care and maintenance activities, and upcoming application to renew Type B water licence without amendment. Noted that annual inspection and maintenance activities are outlined in Glencore's annual reports to the KIA for annual Land Use Licence renewal. TB noted no concerns, largely as the camp is located on land administered by CIRNAC. KV indicated Rob Davidson, who has been managing the project for 15+ years was also reaching out to the HTOs to provide similar update. KV offered to follow up with Tannis by email outlining what was discussed and offered that TB call/email if any questions.
2025-10-02	email	Project update and notification of water licence renewal	Katsky Venter	Tannis Bolt, Rob Davidson	KIA	KV followed up by email with TB to provide an update on HRP activities, continued Care and Maintenance, noted local hiring and continued sourcing of local services where opportunity to do so, and indicated upcoming expiry of Type B water licence and intent to file for renewal without amendment. Provided contact information if any further information wanted or any questions or concerns.
2025-10-07	call	Project update and notification of water licence renewal	Rob Davidson	Amanda Dumond	Kugluktuk HTO	RD called AD to provide an update on HRP activities, continued Care and Maintenance, noted local hiring and continued sourcing of local services where opportunity to do so, and indicated upcoming expiry of Type B water licence and intent to file for renewal without amendment. AD indicated interest in the update, thanks RD for the information, and did not have any questions or concerns. RD indicated he would follow up by email summarizing the update and to provide his contact info.
