Re: Sabina Silver Corporation (Hackett River Project) Water Licence renewal application

KIA would like to thank the Nunavut Water Board for the opportunity to provide comments on the Water Licence renewal application documents submitted by Sabina Silver Corporation.

KIA has no concerns with the above mentioned Water Licence renewal being approved provided the project will be operated in accordance with the Water Licence Application and accompanying documents, as well as the KIA terms and conditions of Inuit Owned Land Use Licence #KTL304C010.

Please contact us if you have any questions.

Sincerely,

Kevin Tweedle Environmental Technician Kitikmeot Inuit Association
