Subject: Sabina Gold & Silver transfer to Xstrata Canada Corp. - Hackett - Wishbone
Date: Friday, June 10, 2011 4:27:48 PM

In regards to Sabina Gold & Silver Corp. to Xstrata transfer:

This email confirms that there are no existing water compensation agreements between the Kitikmeot Inuit Association and Sabina Gold & Silver Corp., and therefore that the proposed assignment of the Hackett-Wishbone Properties for Sabina Gold & Silver Corp. to Xstrata Canada Corporation will not negatively impact any existing water compensation agreement.

Regards,

Stanley Anablak
