Phyllis:

I would have done the calculation for the original first. The second must have been a typo. Use the original at 54 m3.

Regards,

Gordon Clarke

Subject: New Application - Request Clarification - 2BE-HBP---- Hope Bay Property
Importance: High

Just one item that requires clarification prior to our distribution. The volume of water identified on the application is 54 m3 and the supplemental form indicates 52 m3. Would you please clarify which one is correct.

Regards,

Phyllis Beaulieu
