Dear Mr. Mercer:

Re: Land Use Permit Application for the Hope Bay Property, Kitikmeot Region, Nunavut – North Arrow Minerals Inc.

Please find attached a completed land use application for North Arrow Minerals Inc.'s Hope Bay Property, located in the Kitikmeot Region of Nunavut. Hard copies will follow via courier, along with a cheque for the corresponding \$200.00 application fee.

This land use application is for the exploration of precious metals including geophysics, soil sampling, geological mapping, prospecting and drilling. The proposed base of operations for the Hope Bay field program is a remote field camp. For the purposes of this application, North Arrow Minerals Inc. is seeking a Land Use Permit encompassing the above listed exploration activities plus remote camp operations as described in the following documents.

This application package includes:

- Completed land use application form
- Maps: Hope Bay property location, land tenure and proposed camp location
- Non-technical summary (in English, translated version is anticipated to be completed early next week)
- Spill Contingency Plan
- Abandonment and Restoration Plan

If you have any further questions, or require any additional information, please do not hesitate to contact me at (867) 445-6527 or via [gord@northarrowminerals.com](mailto:gord@northarrowminerals.com) or Denise Lockett who has helped to prepare the application package at [lokettda@telus.net](mailto:lokettda@telus.net) .

Kind regards,

**North Arrow Minerals Inc.**

Gord Clarke  
Vice-President, Exploration
